Gestamp 

Junior Automotive Apprenticeship Advisory Board

What is the JA3B?

An independent advisory board of European students who will design the future of the automotive sector.

The JA3B is an independent Advisory Board of European students, aged 14 to 18, that meet three days a year to discuss their experiences of the automotive sector, its future challenges and to develop a strategic action plan to make it an exceptional place to work.

The JA3B is ran by Gestamp and Mondragon University as part of the European DRIVES Project (<https://www.project-drives.eu/en/aboutus>), the purpose of the project is to deliver practical solutions across the European automotive sector.

Register now to participate in 2020 until November 30th 2019

Would you like to participate?

Organise a team of 5 students plus a tutor and send us your application.

If you want to join the JA3B in 2020 in Bilbao (Spain), create a team of 5 students and 1 tutor/teacher/trainer from your school or training organization and send your application to gti@gestamp.com.

To participate in this event, please ensure you meet the following requirements:

1. Students must have a minimum B1 English level and teacher/trainer a B2
2. Age and gender diversity within the team will be positively valued
3. Students must be taking STEM related courses

We will review and answer all applications. A maximum of 10 teams will be selected and informed.

The closing date for applications is **November 30th 2019**.

Participating organizations will be responsible for arranging transportation to and from Bilbao, Spain. The transportation costs will be covered by the host organizations subject to approval.

Accommodation and daily transportation during the JA3B events will be arranged and provided by the host organizations.
